

**JENN AYLWIN**

Jenn joined Vertex Pharmaceuticals in 2021 and currently serves as Associate Director of Benefits responsible for the design and delivery of their North America benefits. She has a passion and focus on bringing innovative benefits to employees and ensuring programs foster inclusivity and well-being. Prior to Vertex, she was at Nuance Communications, where she most recently was the Director of Global Benefits. Earlier in her career, Jenn spent 12 years at Randstad, where she held a number of roles with increasing responsibility within their benefits team.
