

"Leading the Way: New England's Best Benefits Practices of 2010"

**Thursday, December 9, 2010
MA Medical Society Conference Center, Waltham, MA**

Featuring presentation of NEEBC's "2010 Best Benefits Practice" Awards

Here's an opportunity for benefits professionals to "toot their own horn" and tell the world about the great work being done at their organization. At our annual holiday conference we will again honor New England's best benefits practices. How will we determine the winners? We're counting on NEEBC members to assist in the selection process by submitting their company's or client's best benefits practice for consideration by the planning committee.

Retirement, Health and Welfare, Work-Life, Technology, Communications, whatever the initiative, if you feel your benefits department has a winner, we want to know about it. To make your nomination, please **e-mail** the information requested below by September 17, 2010. Successful candidates will be presented with a "2010 Best Benefits Practice" award and invited to share their story with other NEEBC members on December 9. Questions? Give us a call at 781-684-8700 or send an e-mail message to jack@neebc.org.
