ABOUT DAVE BRUBECK:

A Library of Congress "Living Legend," 90-years-young pianist Dave Brubeck proves jazz is the fountain of youth, as he performs with his quartet to orchestral arrangements of "In Your Own Sweet Way," "A Salute to The Count - The Basie Band Is Back in Town," "Unsquare Dance," and "The Duke." The program also features the fiftieth anniversary of the chart-topping "Take Five," which remains one of the best known jazz standards ever.
